The shingled, single, detached residence has a two-and-one-half story, two bay construction with a mansard front roof. The first story has a semi-enclosed gallery with a shed roof which is supported by posts. The second story windows are single sash, double hung, 1/1 with plain trim surround. Above the windows is a projecting, almost roof-like extension which consists of projecting eaves and a plain boxed cornice. One of the side supports of the cornice is still intact. Gable dormers with a slight overhang are housed in the diamond-shingle roof story.

1875-99

BUILDER/ARCHITECT**STATEMENT OF SIGNIFICANCE**

The gabled dormers, second story projecting overhang, shingled construction and first story gallery reveal its connection to other homes in the Waverly area. The home was part of the first major building campaign which consisted of year-round residences, summer homes and some commercial buildings.
